RE: 2022 Poverty Guidelines

The new federal poverty guidelines were posted. CSBG cannot use these new rates until July 1, 2022. Poverty guidelines:

<u>Size of Family</u>	<u>100% Poverty Levels</u>	<u>150% Poverty Levels</u>	<u>200% Poverty Levels</u>
1	\$13,590	\$20,385	\$27,180
2	\$18,310	\$27,465	\$36,620
3	\$23,030	\$34,545	\$46,060
4	\$27,750	\$41,625	\$55,500
5	\$31,040	\$46,560	\$62,080
6	\$37,190	\$55,785	\$74,380
7	\$41,910	\$62,865	\$83,820
8	\$46,630	\$69,945	\$93,260

For families units with more than 8 members, add \$4,720. For each additional member and for 150% add \$7,080. Therefore, for weatherization at 200% of poverty level, add \$9,440 for each additional person.
